 5, 4, 5, 6 - Flanged Internal Magazine

FEED SYSTEM: Variable Telescopic

SIGHTS: Variable Telescopic

The Model 700 series of firearms are hunting rifles manufactured by Remington Arms since 1962. All are based on the same over-the-shoulder bolt action. They come with a 1-4 or 2-round internal magazine which sometimes includes a floor plate for quick unloading, and sometimes is "blow" feeding (3 to six floor plates).

The Remington 700 comes in standard consumer versions as well as versions designed for military and police use. Some variants come with bipods, sling and other accessories. Some Model 700 rifles are made with telescopic magazines, for faster reloading, such as the Puller model DA.

Tapis de démontage Tekmat pour carabine Remington 700

Prix constaté : 52,90 € TTC

Marque : Tekmat

Réf : TEK36REM700

Description

Tapis de démontage Tekmat pour carabine Remington 700 Le tapis de nettoyage TEKMAT® est issu d'une alliance d'un néoprène de qualité supérieure, de caoutchouc et de tissu ayant pour vocation de protéger au mieux vos surfaces de travail contre tout produits et substances chimiques. Une pellicule souple en fibre thermoplastique est présente sur la surface du tapis de manière à éviter les frottements et donc à protéger votre arme des rayures. Le néoprène utilisé est antidérapant et ultra flexible, permettant au tapis d'être enroulé pour un rangement plus commode. Avec les vues éclatées et la liste des pièces de l'arme, les réparations, le démontage de votre arme à feu ou les nettoyages de bases peuvent être effectués beaucoup plus rapidement. Les dimensions du tapis de nettoyage sont de 30 x 91 cm
